

## Collect Biotechnology Announces \$4.3 Million Raise in a Registered Direct Offering

September 7, 2017

**Use of Proceeds - Kasbian Nuriel Chirich, Collect, Chairman commented "We are well funded to fully execute on our business plan. This quick round of finance is planned to serve business development opportunities relating to the potential commercialization of our ApoGraft technology."**

TEL AVIV, Israel, Sept. 7, 2017 /PRNewswire/ -- **Collect Biotechnology Ltd.** (Nasdaq: [APOP](#)), a developer of stem cells selection technology, announced that it has entered into securities purchase agreements with certain accredited investors to receive gross proceeds of \$4.3 million.

In connection with the offering, the Company will issue 531,136 American Depository Shares (ADSs) at a purchase price reflecting the average share price of six days prior to September 6, 2017 with a 4% discount representing \$8.10 per ADS in a registered direct offering. Additionally, for each ADS purchased, the investors will receive an unregistered 12 month, warrant to purchase 50% of the amount raised at an exercise price of \$12.07 per ADS. The closing of the offering is expected to take place on or about September 11, 2017, subject to the satisfaction of customary closing conditions.

H.C. Wainwright & Co. is acting as the placement agent in connection with this offering.

The ADSs described above (but not the warrants or the ADSs underlying the warrants) are being offered pursuant to a "shelf" registration statement (File No. 333-219614) which became effective on August 17, 2017. Such ADSs may be offered only by means of a prospectus, including a prospectus supplement, forming a part of the effective registration statement. The warrants described above were offered in a private placement under Section 4(a)(2) of the Securities Act of 1933, as amended (the "Act"), and Regulation D promulgated thereunder and/or Regulation S and, along with the ADSs issuable upon their exercise, have not been registered under the Act, and may not be offered or sold in the United States absent registration with the SEC or an applicable exemption from such registration requirements.

This press release shall not constitute an offer to sell or the solicitation of an offer to buy any of the securities described herein. There shall not be any offer, solicitation of an offer to buy, or sale of securities in any state or jurisdiction in which such an offering, solicitation, or sale would be unlawful prior to registration or qualification under the securities laws of any such state or jurisdiction.

The Company will file a prospectus supplement and the accompanying base prospectus with the SEC relating to such ADSs, and following such filing, copies of the prospectus supplement and the accompanying base prospectus relating to this offering may be obtained at the SEC's website at <http://www.sec.gov>, or by contacting H.C. Wainwright & Co., LLC, 430 Park Avenue, 4th Floor, New York, New York 10022, by telephone: (646) 975-6996 or by email at [placements@hcwco.com](mailto:placements@hcwco.com)

### About Collect Biotechnology Ltd.

Collect Biotechnology (NASDAQ: "APOP", "APOPW") has developed a breakthrough technology for the selection of stem cells from any given tissue that aims to improve a variety of stem cell applications.

The Company's technology is expected to provide pharma companies, medical research centers and hospitals with the tools to rapidly isolate stem cells in quantity and quality that will allow stem cell related treatments and procedures. Collect's technology is applicable to a wide variety of stem cell related treatments in regenerative medicine and that current clinical trials are aimed at the cancer treatment of bone marrow transplantations.

### Forward Looking Statements

This press release contains forward-looking statements about the Company's expectations, beliefs and intentions. Forward-looking statements can be identified by the use of forward-looking words such as "believe", "expect", "intend", "plan", "may", "should", "could", "might", "seek", "target", "will", "project", "forecast", "continue" or "anticipate" or their negatives or variations of these words or other comparable words or by the fact that these statements do not relate strictly to historical matters. For example, forward-looking statements are used in this press release when we discuss our expectation regarding the gross proceeds, the intended use of proceeds and the closing of the offering. These forward-looking statements and their implications are based on the current expectations of the management of the Company only, and are subject to a number of factors and uncertainties that could cause actual results to differ materially from those described in the forward-looking statements. In addition, historical results or conclusions from scientific research and clinical studies do not guarantee that future results would suggest similar conclusions or that historical results referred to herein would be interpreted similarly in light of additional research or otherwise. The following factors, among others, could cause actual results to differ materially from those described in the forward-looking statements: changes in technology and market requirements; we may encounter delays or obstacles in launching and/or successfully completing our clinical trials; our products may not be approved by regulatory agencies, our technology may not be validated as we progress further and our methods may not be accepted by the scientific community; we may be unable to retain or attract key employees whose knowledge is essential to the development of our products; unforeseen scientific difficulties may develop with our process; our products may wind up being more expensive than we anticipate; results in the laboratory may not translate to equally good results in real clinical settings; results of preclinical studies may not correlate with the results of human clinical trials; our patents may not be sufficient; our products may harm recipients; changes in legislation; inability to timely develop and introduce new technologies, products and applications, which could cause the actual results or performance of the Company to differ materially from those contemplated in such forward-looking statements. Any forward-looking statement in this press release speaks only as of the date of this press release. The Company undertakes no obligation to publicly update or review any forward-looking statement, whether as a result of new information, future developments or otherwise, except as may be required by any applicable securities laws. More detailed information about the risks and uncertainties affecting the Company is contained under the heading "Risk Factors" in

Cellect Biotechnology Ltd.'s Annual Report on Form 20-F for the fiscal year ended December 31, 2016 filed with the U.S. Securities and Exchange Commission, or SEC, which is available on the SEC's website, [www.sec.gov](http://www.sec.gov), and in the Company's period filings with the SEC and the Tel-Aviv Stock Exchange.
